# FOUR KEY THEMES

# WHO CAN WRITE FOR US?

## PRACTITIONERS

We encourage practitioners to analyse their own realities and practices and share insights into the issues/solutions that have been uncovered, explored, or implemented in their respective activities/practices.

## ACADEMICS

We encourage researchers (including doctoral students) to delve into their current research work and publications and share their key findings and to translate scientific findings into an accessible language for all relevant stakeholders in Mauritius and the region.

# HOW TO SUBMIT A PAPER?

SEND US YOUR ABSTRACT OR PITCH!

Send your **abstract or/pitch** to [ctcentre@cte.ac.mu](mailto:ctcentre@cte.ac.mu)

The abstract should not exceed 300 words & summarising the research questions and key findings.

Check our [editorial guidelines](#), for more information.

We accept submissions all year around
